The Honorable Kathy Hochul
Governor of New York State
State Capitol Building
Albany, NY 12224

Dear Governor Hochul:

Thank you for your longstanding support of and dedication to child care as Governor, and throughout your career as an elective official and leader. This 2022 NYS Legislative Session achieved historic, foundational steps forward on the path to universal child care. The undersigned New York parents, child care providers, child and family advocates, and provider networks – all members of the Empire State Campaign for Child Care – call on you to immediately sign into law two important bills that await your signature.

- A.7661 (Hevesi)/S.6655-A (Brisport) – Decoupling child care subsidies from parents' hours of work.
- A.10209-A (Lunsford)/S.9029 (Ramos) – Permitting local social service districts to authorize families to receive child care assistance for up to 24 months between eligibility determinations.

These pieces of legislation begin to remove some of the formidable barriers preventing eligible families from accessing child care subsidies, among them families where parents work fluctuating hours or are part of the gig economy. Taken together, the budget and legislative wins move New York toward a system that provides affordable, quality child care for more New York families, and sustainable compensation to child care providers.

We call upon you to sign and implement the decoupling bill (A.7661 (Hevesi)/S.6655-A (Brisport)) and 24-month-eligibility option (A.10209-A (Lunsford)/S.9029 (Ramos)) without delay. We look forward to announcing your decisive action, and continuing to work with you to keep New York moving steadily toward the goal of high-quality, equitable child care for all the state's families.

Respectfully yours,

Empire State Campaign for Child Care
